

Ymlaen Llanelli Photography Notice

Ymlaen Llanelli will be filming and taking photos at all our events for use in future public promotional material. Please feel free to approach any members of the event team on the day if you do not wish to be featured in any photos or videos.

The images recorded will be used by Ymlaen Llanelli to share news about the event, and to publicise our future events. Images may be used in press releases, printed publicity and published on Ymlaen Llanelli's social media (Facebook, Instagram, Twitter) and on the Ymlaen Llanelli website. They will be stored securely, and we will delete them after they are no longer needed for publicity purposes.

If you would prefer for you or your child not to be photographed, our media team are always visible and are happy to be approached at our events and asked not to feature certain people. However, as our events are held in a public space with big crowds, we can't fully guarantee any members of the public that they will not feature in any photos or videos taken on the day.

If you would like us to delete photographs that feature yourself or your child, please get in touch by using our [website contact form](#), by dropping us a message on social media, or by emailing Jade on jade.evans@themeans.co.uk.
